

The screenshot displays the Bitvise SSH Client interface. The main window is titled "Bitvise SSH Client - dhindsku@atlas.sheridanc.on.ca:22". It features a terminal window on the left with the following text:

```
stty: invalid argument `new'
Try `stty --help' for more information.
biff: Command not found.

```

On the right side of the terminal window, there is a sidebar with the following sections:

- Default profile** (with a "Closing behavior" link)
- Help** (with a "Help" link)
- 256, size: 256 bits, 7:ec:83,**
- dh-cmux, SHA-256**
- TKw.**
- ssion encryption:**
- iblickey,password'.**

At the bottom of the sidebar, there is a status bar that reads: "13:45:10.092 SFTP channel opened." Below this, there are two buttons: "Logout" and "Exit".

On the far left, there is a vertical sidebar with the following navigation options:

- Home
- Products
- About
- Screenshots
- Notices
- Security
- Customization
- Large
- Download
- SSH
- SSH
- Win
- Purchase
- Support
- Release
- Release
- SSH Ser
- Version
- Price
- License
- Help

At the bottom of the screen, there is a Windows taskbar with the following icons: Start button, Internet Explorer, File Explorer, Google Chrome, Microsoft Edge, PowerPoint, and a search icon.
